THE REASONS WHY

*You deserve
to be confident*

Boudoir is about relishing every moment of confidence as you learn to love yourself. There is so much social messaging designed to bring us down: We're not *thin* enough, *curvy* enough, *feminine* enough, or *tan* enough. It's time to unlearn ALL of it. **You are beautiful exactly as you are**, right this moment. These photos are your proof.

*You are choosing
to honour yourself*

In choosing to document this chapter of your life, you are acknowledging its significance. There is immense power in choosing to place your focus on yourself.

Your boudoir session is a declaration of self-love.

*You are documenting
your journey*

Your body has carried you through every hardship you've endured, every moment of connection with your loved ones, every criticism from yourself and from others.

You deserve to celebrate how far you've come!

*You determine
your own legacy*

It is a privilege to have photos of ourselves collected over the years to look back on. The times we opted out of the group picture, or deleted an unflattering photo - these are times we don't get to relive. We let those moments slip through our legacy. It is a conscious choice to say "here I am" to allow your future self to reminisce. You are ready! The best time to document your life is **right now**.

PRE- WEDDING BOUDOIR

Boudoir is an empowering act of self-love - a chance to see yourself how your lover sees you

Print your photos into an **intimate boudoir album** as a perfect and deeply **personal wedding gift** for your lover on your wedding day - a **not-so-subtle hint** for your lover to look forward to your wedding night. Incorporate your veil and accessories as a **sentimental** touch.

YOUR BODY IS BEAUTIFUL

Our philosophy on retouching

The curves of your body and the scars on your skin are elements of your story that deserve to be honoured, not erased. While scratches and bruises will be retouched, please know body modification is against our philosophy of self-love. **Your photos are a celebration of you, exactly as you are.**

BEFORE YOUR SESSION

- ✓ Bring clothes that you feel comfortable and confident in.
- ✓ For couples, choose outfits that are from the same colour palette.
- ✓ Bring sentimental items you'd like in the session, such as a wedding veil or wedding jewellery.
- ✓ Communicate with your photographer about any insecurities, body image concerns, and boundaries for the session.

Keep an open mind - trust your photographer to guide and direct you to let your beauty shine through!

AFTER YOUR SESSION

Display a beautiful canvas as wall art

Your favourite images printed on canvas - archival grade with protection from sunlight to remain as vivid as the day you receive them. The stunning texture brings depth to your favourite boudoir moments.

Tell a story through framed prints

Let your relationship take pride of place on display in your home as framed memories. Add milestones over the years to tell your love story as works of art.

Look through your heirloom photo album

A beautiful hand-bound book to hold and cherish, designed to last over one hundred years. An heirloom to revisit this intimate chapter of your life and appreciate your journey of self-love.
